

Join us at one of our weekly events as we celebrate all things food and wine during the inaugural Newcastle Food Month.

**SIGNAL BOX'S POP-UP SPARKLING
AND OYSTER BAR**

Discover the different flavours of our region's oysters.

Try our pop-up sparkling and oyster bar where you will be able to enjoy half dozen oysters and a glass of sparkling wine for \$25 per person.

Each week we will feature a different oyster variety, paired with a sparkling wine from one of our local Hunter Valley vineyards. Representatives from the oyster farm and vineyard will be on hand to take you through a mini masterclass and answer any questions you may have.

Come along each week and try the different varieties on offer!

Bookings are highly recommended as spaces are limited. Ticketing will be for either 5-6pm or 6-7pm.

The bar will be open Friday 9th, Friday 16th and Friday 23rd April from 5-7pm.
